Subject: SITUATIONAL AWARENESS: Anti-Mandates/Anti-Media - Trucker Convoy and Rally (Hwy 1 / Pacific Hwy Border Crossing)
Date: February 4, 2022 5:56:14 PM

SITUATIONAL AWARENESS

Anti-Mandates / Anti-Media – Trucker Convoy and Rally

Location: Highway 1 (Langley to Vancouver) + 160th/104th Overpass
Date/Time: 2022-02-05 – 0745hrs onwards

AND

Pacific Highway Canada/US Border Crossing
Date/Time: 2022-02-04 – 1400hrs onwards (potential)
2022-02-05 – 00800hrs onwards

ISSUE:

This **S/A** is to advise Surrey Leadership and on duty resources about an anti-mandates and anti-media trucker Convoy that is planned for Saturday, February 5, 2022. These group plan to form up in Langley and proceed to Vancouver with a splinter group travelling to the Pacific Highway Canada/US Border Crossing. Significant delays are expected to impact Highway 1 from Langley to Vancouver, Highway 15 south to the border as well as feeder routes throughout the LMD. Supporters/protesters will also be forming up at various overpasses in the Lower Mainland including at the Highway 1 overpass located at 160th Street/104th Avenue, Surrey, BC. There is also a possibility that participants will begin arriving early to set up beginning today, Friday, February 4th, 2022 (ie: at Pacific Highway border crossing).

BACKGROUND:

On Saturday, February 5th, 2022, a large trucker convoy is planned to depart the Colossus in Langley (200 Street/88th Avenue) and travel to the CTV offices in Vancouver, BC. A similar convoy took place last weekend that resulted in significant travel delays/implications in which BCHP required assistance from Surrey RCMP also. Although protesters and supporters in Surrey were cooperative, they are facing greater hostility from the public. In keeping with last weekend's convoy, this weekend, Surrey EOP believes approximately 150+ people will gather at the Highway 1 overpass located at 160th Street/104th Avenue in support of anti-mandate/anti-restrictions type "Freedom" convoys and rallies across the country, including the one in Ottawa, Ontario. This groups also appears to be joining forces with an anti-media convoy (The Media is the Virus – Convoy) for this event.

The convoy itself is to form up in Aldergrove starting at 0745hrs and travel to the Langley Colossus. They intend to depart Langley and head to Vancouver. However, a splinter group appears to be planning to head south on 176th Street – Highway 15 and travel to the Pacific Highway Canada/US

Border Crossing at approximately 0900hrs. They appear to have indicated that like in Alberta, disrupting the border appears to gain the attention of the government. Reportedly, there is also online chatter from BC residents to block one or more BC Ports of Entry similar to these types of activities taking place at Alberta/Montana border crossings.

There indications that on Saturday, February 5th, 2022, the splinter convoy group plans to “slow-roll” the border and protest peacefully, making room for emergency vehicles. When the main convoy concludes in Vancouver, they may join the group at the Pacific Border crossing.

Surrey EOP will NOT be rostering members for these protests.

STRATEGIC CONSIDERATIONS:

On Friday, February 4th, 2022, A Watch is on Day Shift (S/Sgt. Dave WISE) and D Watch is on Night Shift (Insp. PARMAR / S/Sgt. Andrea MCKINNEY). S/Sgt. WISE was directly notified of potential calls for service associated to these events earlier in the day. As of 1700hrs, no calls for service associated to protests at border crossings in Surrey were reported.

On Saturday, February 5th, 2022, B Watch is on Day Shift (Insp. WILKS / S/Sgt. GILLIES). S/Sgt. GILLIES was previously notified of the planned convoy and overpass rallies. By copy of this email all parties are being notified of the potential convoy/rally at the border crossings. Patrols and/or site visits by on duty Frontline, Traffic, CRU, MSET resources are recommended. VPD, Langley RCMP, CBSA, BC Highway Patrol have already been aware of these planned events. In the event that any police files are generated as a result of these protests/rallies, please provide details/file number to Surrey EOP to: s.37 [REDACTED]@rcmp-grc.gc.ca.
